Henry is a simple, smart and flexible system with few but thoroughly thought through parts.

The desk screen is acoustically dampening in pressed felt with white metal details. Two sizes: 1720 x 580 mm or 1520 x 580 mm.

To the desk is also a table shelf in white plate with rubber mats, with or without power supply. Color on rubber mats: white, gray, yellow or red.

There is also a specially designed paper bin in plate to the Henry desk. Legs are available in white and silver.

Henry tabletop is available in many sizes, all within measurement 1200 x 2400 mm. For exact measurement see Measurement.

Material: Laminate, Ash, Birch, Beech, Oak and Desktop.

Specially designed paper bin to Henry in white plate.

Henry table shelf in white plate with rubber mats, with or without power supply.

Color on rubber mats: white, gray, yellow or red.
