www.horreds.com

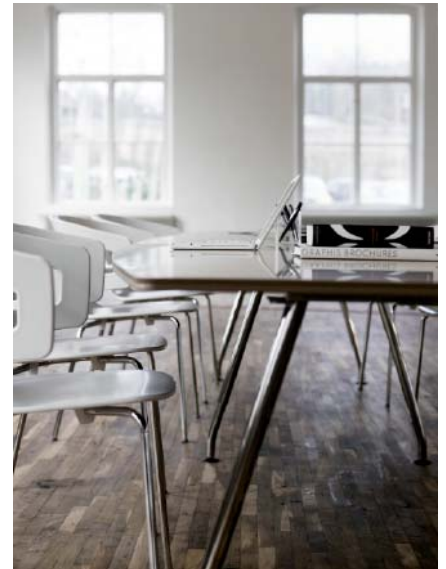

Fri conference table was created in the purpose of creative furnishing with focus on mobility and flexibility.

The tabletop is available in birch, beech, oak, ash, ebonized oak, ebonized ash, white pigmented oak, white pigmented ash, laminate and desktop.

Undercarriage is the Fri leg base in chrome, white or silver. VX conference undercarriage is also useable.

Fri tabletop is made out of 19 mm MDF. Corner radius 30. Choose between two different edge profiles; Fri-profile or bevelled edge.

Height of table, manual: 62-82 cm.
