Nomono is designed to work in open offices. With clear and fixed horizontals the desks soothes an environment which sometimes can be a bit chaotic. The legs are a whole side, which means that all the ugly wiring can easily be hidden.

Nomono tabletops is made out of 19 mm MDF. The cable lid is made out of the same material as the desktop.

Material i bordsskivorna är: Laminat, desktop, Ek, Ask, Svartbetsad Ek, Svartbetsad Ask, Vitpigmenterad Ek, eller Vitpigmenterad Ask.

The boxes are available as single boxes i 800 or 880 mm depth, double boxes in 1200 or 1720 mm depth. The single boxes as well as the deep dubble box are available with storage.

DESK > NOMONO

Nomono handles and accessories available in 7 different colors: white, black, yellow, green, blue, red and orange. White is not in the picture.

Nomono has a milled hand control in rubber as well as a pen holder, mailbox, laptop holder, monitor holder and a lamp who's moveable sideways.
